Task 1: Proposal for Community Garden

Excellent sample answer (written at around CLB 11–12, an estimate, not an official score)

Dear [City Official's Name],

I am writing to propose the establishment of a community garden in [Neighborhood Name]. A well-maintained garden would provide residents with access to fresh produce, promote environmental awareness, and foster a stronger sense of community.

We are seeking city approval to allocate a public space for this project. Additionally, funding assistance for initial supplies and educational workshops would greatly enhance its success.

I would love the opportunity to discuss this proposal in more detail. Thank you for your consideration.

Sincerely,

[Your Full Name]

Task 2: Shaping Our Community: Arts or Sports Funding Survey

Excellent sample answer (written at around CLB 11–12, an estimate, not an official score)

I strongly support Option A, as a community arts program promises a sustainable and enriching future for our town. To begin, funding theater, music, and visual arts nurtures creativity and engagement, offering workshops where kids learn painting or seniors perform in plays. This fosters a vibrant culture that strengthens social bonds.

Moreover, performances and exhibits can attract tourists, boosting the economy and supporting local shops. While sports have merit, arts deliver a broader, lasting impact by inspiring innovation in schools and workplaces. They build a legacy of pride, unlike fleeting events. This choice ensures an inclusive, thriving community for all residents.
