Task 1: Movie-Night Lineup

Excellent sample answer (written at around CLB 11–12, an estimate, not an official score)

Dear Friends,

I hope you're all well. Let's gather this Friday, June 27 at 7:00 PM for our long-overdue movie night!

Below are four contenders:

Inception – a cerebral thriller sure to spark discussion

The Princess Bride – timeless charm and witty dialogue

A Quiet Place – edge-of-your-seat suspense

Coco – vibrant animation and a touching story

Kindly reply by Thursday with your favorite or rank them in order. I'll supply freshly popped popcorn, candy bars, and assorted sodas, and I'll have Netflix and surround sound ready.

Looking forward to an epic evening together!

Warm regards,

Task 2: Employee Work-Life Balance Survey

Excellent sample answer (written at around CLB 11–12, an estimate, not an official score)

As someone who struggles with maintaining clear boundaries between work and home life, I strongly advocate for restricting after-hours communications (Option A). Constant connectivity undermines the ability to truly recharge, leading to burnout. Although paid personal days offer periodic breaks, enforcing no-work zones outside office hours would provide the daily respite that employees like myself genuinely need.
