Task 1: Gym-Buddy Check-in

Excellent sample answer (written at around CLB 11–12, an estimate, not an official score)

Dear Mia,

I hope you've had a great week so far. Just confirming our FitZone session tomorrow, June 28 at 6:00 PM, where I was thinking we focus on a leg-strengthening circuit followed by 20 minutes of HIIT cardio. If you'd prefer to swap in some upper-body or core drills, let me know and I'll adjust the plan. Afterwards, we can head to Café Aroma around 7:30 PM for a post-workout latte and stretch.

Please confirm or suggest any changes. Can't wait to crush it together!

Warm regards,

[Your Name]

Task 2: Urban Green Spaces Survey

Excellent sample answer (written at around CLB 11–12, an estimate, not an official score)

As someone who frequently longs for nearby green retreats after busy days, I strongly favor converting vacant lots into neighborhood parks and gardens (Option B). These spaces would offer much-needed opportunities for relaxation, exercise, and social connection. While more street trees improve air quality and appearance, well-designed parks deliver greater benefits for both physical and mental well-being of local residents like myself.
